

TREE COMMISSION

August 17, 2009

The August 17, 2009 Tree Commission meeting was called to order at 11:00 a.m. in Council Chambers by Sara Lou Brown, Chairman. Tree Commission members present were Sara Lou Brown, Denise Clark, Jim Geary, and John Walker. Judi Lambrite was absent.

Others present included: Sarah Molnar, Clerk.

The minutes of the June 15, 2009 Tree Commission meeting, having been mailed to each Tree Commission member, were approved as received.

Mr. John Walker indicated that he recently inquired as to the City's regulations concerning the planting of willow trees within the City and was told that willow trees are not permitted to be planted within City right-of-ways, however it is a property owner's decision whether to plant this species of tree on their private property. Mr. John Walker noted that a willow tree located on private property in River's Edge Subdivision was recently cut down at the expense of the property owner because other residents of the subdivision demanded the removal of this tree.

There being no further business, the Chairman declared the meeting adjourned.
