

TREE COMMISSION

June 15, 2009

The June 15, 2009 Tree Commission meeting was called to order at 11:00 a.m. in Council Chambers by Sara Lou Brown. Tree Commission members present were Sara Lou Brown, Denise Clark, Jim Geary, Judi Lambrite, and John Walker.

Others present included: Scott Washburn, Mayor; and Sarah Molnar, Clerk.

The minutes of the April 20, 2009 Tree Commission meeting, having been mailed to each Tree Commission member, were approved as received.

Mrs. Brown reported on a letter received from Mrs. Stephanie Miller, Urban Forester, concerning a request submitted by Mrs. Brown for the City of Upper Sandusky to host an upcoming Tree City USA Awards Program. It was noted that Mrs. Miller has indicated that the request should be resubmitted after the 2010 Tree City USA Awards Program to possibly host the 2014 event.

It was noted that an infestation of the Emerald Ash Borer was recently discovered by Mr. Randy Moore, Parks Manager, in ash trees located in various locations throughout the City. An article recently appeared in the Daily Chief Union explaining the situation. The disposal of these trees is currently being addressed.

There being no further business, the Chairman declared the meeting adjourned.
